

Net property, plant, and equipment is recorded at cost less accumulated depreciation. Maintenance and repair expenditures are charged to expense when incurred. Depreciation is calculated using the straight-line method over the estimated useful lives as follows:

Buildings and related improvements	5 to 40 years
Leasehold improvements	Lesser of remaining term of the lease or economic useful life
Machinery and equipment	1 to 15 years

Net property, plant, and equipment is recorded at cost less accumulated depreciation. Maintenance and repair expenditures are charged to expense when incurred. Depreciation is calculated using the straight-line method over the estimated useful lives as follows:
